About Us

C.A.W.E.S. is a charitable organization serving the central Alberta area. Our safe, secure home-like shelter, located in Red Deer, currently houses up to thirty six women and children at any one time for a maximum stay of 28 days .

We provide compassionate counseling to women and children affected by domestic violence. We encourage independence and freedom of choice to begin a new life free from abuse. Women and children in crisis, or in an emergency situation are also eligible for shelter services.
